## PURCHASE ORDER TERMS AND CONDITIONS

The terms of the Lakeshirts Purchase Order will govern in the event of any conflict between the Order and any other document.

You must have a valid Purchase Order prior to shipping merchandise to any Lakeshirts company. We must be notified within three (3) days after your receipt of a Purchase Order, and prior to shipment, of any term, condition, or specification that is not acceptable. Failure to give such notice shall be deemed acceptable of all terms, conditions and specifications of the Purchase Order.

Prompt receipt of goods is critical to our success in fulfilling our customers' orders quickly and accurately. Delays in shipments from our vendors not only reflect poorly upon you, our vendor, but also cause our customers to think poorly of Lakeshirts, which in turn may cause them to seek out other vendors. Lakeshirts requests prompt notification of any delays in shipping. Lack of notification may result in shipping upgrades at your expense or cancellation of the Purchase Order at no cost to Lakeshirts.

Merchandise shall be subject to inspection by our Buyer or Warehouse personnel prior to acceptance and payment. Full credit will be taken for merchandise which is not in accordance with set specifications or industry standards or which is different in quality or quantity from that ordered, or which is shipped in a manner other than stated on our Purchase Order. PFD's that have been dyed and found to be defective will be processed through our Damages Dept. Dye costs of \$1.75 per pound PLUS full merchandise credit will be taken for defects totaling more than 3% in a calendar year. This credit will be applied at the end of our calendar year.

Lakeshirts will accept overages and shortages of 5% per SKU per shipment. Overages must be approved prior to shipment. Excess inventory that is not approved for shipment cannot be offered for sale to third parties.

The prices specified on the Purchase Order are not subject to any additional charges for packing or preparation for shipment or because of increased costs of operation, or because of any taxes or excises levied on processors, manufacturers, and wholesalers or otherwise. The Purchase Order shall not, without written authorization from Buyer, be filled at higher prices than previously agreed upon. If the Order is unpriced, prices are not to be higher than last charged or quoted to our Buyer for Merchandise described therein. Any price reduction made to merchandise on the Purchase Order prior to delivery shall be applicable to the Purchase Order.

# CONSENT AGREEMENT TO USE OF THIRD PARTY MANUFACTURER

Lakeshirts hereby consents to use of **THIRD PARTY MANUFACTURERS** under the following conditions:

1. The Third Party Manufacturer acknowledges that it has read and understands, and hereby agrees to be bound by, each and all of the Terms and Conditions of the Lakeshirts Vendor Guidelines as if the Third Party Manufacturer were a named party to the Guidelines. In no event shall the rights of the Third Party Manufacturer exceed the rights of the Approved Vendor under the Agreement.

- a) Third Party Manufacturer shall have no right to manufacture Authorized Product, or to distribute, sell or market Authorized Product to any party other than Lakeshirts Approved Vendor, or a designee of the Approved Vendor duly authorized by Lakeshirts;
- b) Third Party Manufacturer shall have no right to directly invoice any orders (such responsibility to be the non-assignable responsibility of our vendor);
- c) Third Party Manufacturer shall have no right to sell off any Authorized Product upon expiration or termination of this Consent Agreement; and
- d) Lakeshirts may, at its sole option, elect to enforce its rights under the Agreement and this Consent Agreement under the laws of any country where Third Party manufacturer is performing any licensed activities or unlicensed activities.

If Lakeshirts is required to take any action against the Third Party Manufacturer to protect its rights, you as the Approved Vendor shall reimburse Lakeshirts for its reasonable costs (including attorney's fees). You and the Third Party Manufacturer hereby agree that any agreement with the Third Party Manufacturer relating to the Agreement shall include all terms and provisions noted above.

Please sign below to indicate your agreement with the foregoing. The person signing this Memorandum of Understanding Agreement hereby represents that he or she is a duly authorized representative of the Vendor and may act on behalf of, and bind, the Vendor.
